Pack 287 Leaders and Committee Members:

Anyone from the Pack is welcome to join the Committee. By joining the committee, you commit to attending the committee meetings when possible. All committee members will need to take youth protection training and new leader essentials. (Leaders will need to take leader specific training. A leader is someone in uniform who is an active member of the committee that has been trained.) In order to camp, there must be an individual that has been BALOO and Weather trained. Any committee member who is not current as of December 1st, in youth protection and new leader essentials, will not have their Adult application renewed during re-charter in January.
