September 11, 2008

Dear Parents,

We are excited about the opportunity to partner with you and your son on a journey through scouting.

Pack 287 is a charter organization of the families of Pack 287. We have enjoyed 45 years of existence and blessed with great leadership. Our current leadership looks forward to a fun filled year of scouting experiences: Rain Gutter Regatta, camping, bonfire, Pinewood Derby, field trips, BBQ, and summer time activities: marbles and melons, biking and indoor climbing and more.

Come join our team and learn more about the scouting experience and the values your son can live by for life.

Please contact any of our leadership with questions you may have about Pack 287 and how to get start on your first or your next scouting experience.

Yours in Scouting,

Kelly Krantz

Thank You
